The **AVS 27th International Conference on Atomic Layer Deposition (ALD 2027)**, featuring the **14th International Atomic Layer Etching Workshop (ALE 2027)**, is dedicated to the science and technology of atomic layer-controlled thin film deposition and etching. Since 2001, the ALD conference has rotated among the United States, Europe, and Asia, fostering the international exchange of ideas, knowledge, and best practices among scientists and industry professionals.

The conference will take place **June 20–23, 2027**, at the **Maritim Hotel & International Congress Center Dresden** in Dresden, Germany. As in previous years, the meeting will begin with a day of tutorials and perspectives, followed by a welcome reception on Sunday, June 20. Technical sessions and an industry tradeshow will run Monday–Wednesday, June 21–23.

ALD/ALE 2027 offers excellent sponsorship and exhibiting opportunities to increase your organization's visibility and connect with a highly engaged international audience. A range of opportunities is available to help maximize your presence while accommodating your marketing budget. Anticipated attendance is 700+ participants.
